PVA chip systems provide customers with all the necessary dimensions of quality...performance, durability, and of course, aesthetics.

Our "Premium" coating system offers a medium to extra heavy media spread adding increased durability with our proprietary Poly Hybrid clear coat. This coating system provides abrasion, wear and excellent chemical resistance, with a high-gloss finish.

BENEFITS

- › Protects any surface
- › Ultra low VOCs
- › Reflective properties
- › Eco friendly system
- › Easy to clean

DURABILITY

- › Extreme solvent resistance
- › Excellent abrasion resistance
- › UV stable
- › Molecular bond
- › Impermeable
